Lands at Hass Road, Dungiven, Co Derry

Zoned Housing Land on the edge of Town - c. 7.0 Acre Green Field Site

Closing Date for Offers: 12 Noon on Thursday 25 June 2026

LOCATION/DESCRIPTION

Dungiven is a well established Sperrin gateway town situated at the foot of the Sperrin Mountains in County Londonderry, positioned along the A6, one of Northern Ireland's primary transport routes connecting Derry/Londonderry with Belfast. The town serves a wide rural catchment and provides a range of local amenities including retail outlets, schools, cafés, and essential services.

Recent upgrades to the A6 dual carriageway have significantly improved regional connectivity, reducing travel times and enhancing access to larger centres such as Limavady, Maghera, and the wider North West. The town's mix of residential, commercial, and community facilities, combined with its strategic location, makes Dungiven an accessible and convenient base for commuting, trade and everyday living.

The area is characterised by a mix of edge of town housing, agricultural holdings and commercial premises, benefitting from strong transport links and good connectivity to nearby towns. The setting offers a pleasant semi-rural environment, with the lands obvious zoning for residential development of key attraction but nonetheless also suitable for other uses subject to planning.
